<u>HAM Size</u>	<u>Price</u>	<u>Buffet Servings</u>	<u>Dinner Servings</u>
Approx. 3 lbs.	Approx. \$30	9-10	6-7

### INSTRUCTIONS

Each ham is table ready to serve at room temperature. We do not recommend heating, which will dry the ham and impair its flavor. If only a few slices are needed, they may be heated in a skillet, microwave or conventional oven. If the ham is not going to be used within 1 week, it can be frozen up to 45 days.
